Erik has left the firm. We are on top of the schedule and Terry is going to handle MSO full time, and I will get more hands on in the TOG side of things. Terry has recently finished some work that was taking up a large amount of his time, and with the four lawyers we have we are confident we can handle the current case load. We are also open to exploring other options if we think its necessary

What happen with Erik and how are we proceeding to handle the pretty large workload he had?

Thank you,
